

JIMI SYANGBO

MBBS, MMC IOM

I am a dedicated MBBS student with a strong passion for advancing medical and surgical knowledge. I am particularly interested in the implementation of modern technology in the medical field. I believe that emerging technological advancements can be effectively applied to improve treatment methods and address current medical challenges.

SKILLS

- Basic Medical Knowledge and skills
- Basic Web Development (HTML, CSS, JavaScript)
- Computer Graphics & Design
- Video Editing
- Application of Modern Technology in Medicine & Surgery
